Edicte

Davant la impossibilitat de procedir a la notificació personal, es comunica a les persones que figuren detallades en la relació adjunta les declaracions d'infracció emeses pels agents del Servei de Circulació d'Encamp, en relació a la presumpta comissió d'infraccions a les normes de circulació.

Per acord de la Junta de Govern de data 17 de setembre del 2018, es disposa d'un termini de 10 dies hàbils, a comptar de l'endemà de la data de publicació del present edicte, per presentar davant del Comú les al·legacions que s'estimin pertinents.

Les persones concernides, les quals abonin l'import de la o les sancions abans dels 10 dies hàbils, es beneficiaran d'una reducció del 50% de l'import de la sanció.

Esgotat aquest termini, l'expedient degudament completat amb les vostres al·legacions, es trametrà a la Junta de Govern per a la seva resolució.

En el cas que no hagueu presentat al·legacions sobre la o les declaració/ons d'infracció/ons que us ha/n estat notificada/es es considerarà resolt l'expedient, confirmada i notificada la proposta de sanció/ons, sense necessitat de dictar resolució expressa. En aquest cas d'acord amb l'article 5 de l'Ordinació, disposeu d'un termini d'un mes per fer efectiu l'import davant el Comú.

Esgotat aquest termini sense que s'hagin fet efectives les sancions, es procedirà per la via executiva al cobrament del seu import.

De conformitat amb l'article 124 del text refós del Codi de l'Administració del 29 de març del 1989, contra aquesta decisió pot interposar-se recurs en via administrativa davant de la Junta de Govern en el termini d'un mes a comptar de la data de la notificació de l'acte. En virtut dels articles 50 i 129 del Codi de l'Administració, la interposició de recurs per part del recurrent no suspendrà l'execució de l'acte impugnat.
